From the first nesting box built by the two of them, to numerous ones today on Lake Houston, their desire to provide habitat for these beautiful ducks has flourished. It has been 5 years since the passing of Jameson's grandpa, but their vision still lives on, thanks in large part to teaming up with LHSRF and the support they have provided in fostering and supporting this shared legacy.

More than 200 nesting boxes have been installed on Lake Houston, area ponds, and other lakes in Texas and Oklahoma, with an estimate of over

The Lake Houston Sports And Recreation Foundation Golf Tournament 2021 is excited to partner with Jameson Young - The Duck Whisperer of Lake Houston. Our goal is to create more awareness and raise funds to continue the Wood Duck conservation efforts on Lake Houston, which took a heavy hit by Hurricane Harvey.

What started as a shared love of nature and lake life between Jameson and his grandpa has evolved into a successful conservation effort all because of a lone Wood Duck named "Woody".

### Celebration of LHSRF Accomplishments

Since 2011 The Lake Houston Sports And Recreation Foundation in partnership with the Texas Park and Wildlife, has released over 500,000 Florida Hybrid Largemouth Bass into Lake Houston. The Lake Houston Sports and Recreation Foundation works with the area youth and promotes getting involved to improve the water quality and wildlife habitat on Lake Houston.

2500 new ducklings since inception. Please join us in supporting this worthy cause for Lake Houston! For more information regarding LHSRF "Adopt a Box" program or to make a donation, please contact Butch Sharpe at 832-256-7613 or Jameson Young at 214-206-6488.
